

MIEBO Text Alerts Mobile Message Service Terms and Conditions

Last Updated: March 20, 2025

The MIEBO Alerts service (the “Service”) is operated by TapOnIt, a service provider operating on behalf of Bausch + Lomb (“we” or “us”). Your use of the Service constitutes your agreement to these terms and conditions (“Mobile Terms”). We may modify or cancel the Service or any of its features without notice, or add or delete a cellular carrier from this program at any time. We may also modify these Mobile Terms at any time and your continued use of the Service following the effective date of any such changes shall constitute your acceptance of such changes.

Message and Data Rates May Apply. We do not charge for the Service, but you are responsible for all charges and fees associated with text messaging imposed by your wireless provider.

Text messages may be sent using an automatic telephone dialing system or other technology and are not read by person. Your consent to receive autodialed marketing text messages is not required as a condition of purchasing any goods or services. If you have opted-in, the Service provides updates, alerts, information, promotions, specials, and other marketing offers from Bausch + Lomb about MIEBO via text messages through your wireless provider to the mobile number you provided. When you opt-in to the service, via web (online) sign-up or by texting 40148, you represent that you are the authorized user of the wireless device you use to receive the messages and that you are authorized to approve any changes. Message frequency recurring. Text the single keyword command STOP to 40148 to cancel at any time. You'll receive a one-time opt-out confirmation text message. If you have subscribed to other Bausch + Lomb mobile message programs and wish to cancel, you will need to opt-out separately from those programs by following the instructions provided in their respective mobile terms. For Service support or assistance, text HELP to 40148, call 1-844-643-2693 or visit MIEBO.com

We may change any short code or telephone number we use to operate the Service at any time. You acknowledge that any messages, including any STOP or HELP requests, you send to a short code or telephone number we have changed may not be received and we will not be responsible for honoring requests made in such messages.

The wireless carriers supported by the Service are not liable for delayed or undelivered messages. You agree to provide us with a valid mobile number. If you change your mobile phone number, you agree to opt out of the Service prior to changing your mobile number. You agree to indemnify, defend, and hold us harmless from any third-party claims, liability, damages, or costs arising from your use of the Service or from you providing us with a phone number that is not your own.

You agree that we will not be liable for failed, delayed, or misdirected delivery of any information

sent through the Service, any errors in such information, and/or any action you may or may not take in reliance on the information or Service.
